Don,

We also want to post the white paper for the October meeting (attached) on the FIFRA SAP website. However, we should not post this document until the docket has completed their review. Therefore, the posting should be planned for tomorrow.

Please let me know if you have any questions.

Thanks.

Steve

Laura,

Can you please confirm that, based on our meeting with Stan last week, ERG should be posting materials for the Sept and Oct SAP meetings and not working on the new TSCA science review websites? And that we will use the contract vehicle that Sharlene is COR for the new websites.

Thanks. DW
